

## Subject: GHYC Summer 2021 Youth Sailing Program

From your Board of Directors:

We hope this email finds you safe and healthy.

We have decided to move forward with planning for a youth sailing program this year. There will be a few changes due to COVID:

The program will run for 5 weeks. We will only offer full-day programs and class size is reduced to 12 sailors per week. First program starts on July 6 through the next five Monday. As in years past, the program runs Monday through Thursday, and the hours are shortened to 9 am to 3 pm. As in the past, sailors bring their own lifejackets with whistle, drinks, snacks and lunch. The class will come back to the club midday for lunchtime.

Sign-ups: GHYC members sign up online via Marshfield Recreation Department web site. Signups begin Wednesday April 7, 2021 at noon for club members. Registration will be open to non-club members beginning Wednesday April 14, 2021 at noon.

Costs: It will be \$140/per sailor per week for members and \$280/per sailor per week for non-members. Non-members that are non-Marshfield residents will pay an additional \$10/dollars per student per week consistent with Town policy.

The website is <http://MarshfieldRec.com> and is operational now to create your account. To access the website and sign-up our members must create a household account and add each child/grandchild to the household account. You can create account now, so you are ready for Wednesday's sign-ups.

Any questions can be emailed to [greenharboryc@comcast.net](mailto:greenharboryc@comcast.net) Subj: Youth Sailing.

Thank you,  
The Board of Directors
