## Commodore's Column by Kevin Collins

Hello GHYC Members,

Hopefully everyone enjoyed the nice weather over the Memorial Day weekend. Sunday was the first cookout of the season. It was nice seeing those of you who were able to attend. I would like to thank our hosts: Bob and Crystal White and Amy Niederberger, also Kathy Malloy for jumping in to help, and to those who brought sides and desserts.

The Spring cleanup and the raising of the flagpole was Saturday, May 21<sup>st</sup>. Thank you to those who attended: John Reardon, Crystal White, Karen & Bill Ashmont, Saby Rubbo, Dave Rubbo, Paul DeFreitas, Betsy & Mike Gillis, Mark Linehan, and Larry Condon. A special thank you to Dave Rubbo for repairing the flagpole which was damaged in the October storm, Paul DeFreitas for scrubbing the grill clean, and Crystal White for planting and maintaining all the flowers around the Club. They are beautiful. For those volunteers who I have missed, thank you for donating your time. The Club needs volunteers to function.

The Commodore's dinner is July 16. As of now, this will be a member only ticketed event. Tickets will be available mid to late-June at the bar. The Buzztones Rhythmn Review will be playing. Plan on dancing the night away to the Buzztones!

Hope to see you at the Club soon.  
Kevin

Reminder - Any updates in your contact information should be sent to me or the office, so our records are correct and we can keep you informed of any events.

We have changed the card readers so your green key card will now be used to access entrance to the Club and the barn. The purpose of the key card is primarily for admittance to the Club and we ask that you have the key card when you stop in for a visit. You can also access the ice machines in the barn, which is an added perk of being a member.

The ice machines are available daily between 7 am and 7 pm, unless of course, the machines are completely emptied, in which case, the card reader will be turned off until the next day.
