Commodore's Log

by Stephen Bartlett

"Live in the sunshine. Swim in the sea. Drink in the wild air." – Ralph Waldo Emerson

We are almost ready for summer just a few more things to do before we're fully up and running. Thanks to everyone who showed up to help with the summer preparations.

The door card readers have been changed please use your green card to access the buildings. If you haven't picked up your cards and bucks please stop by the club to get them. **The key cards are issued to help keep the club liquor license compliant with state liquor laws so please remember to use them.**

UNLOCKS
DOOR

The ice machines have been turned on please use your green card to access the barn. **Remember to be considerate of others when getting ice. Please take only one reasonably sized cooler per day so there is enough ice for everyone.** The ice is not guaranteed to be available every day and **do not take ice from the machine in the kitchen that is for bar use only.**

Attention Smokers: Ashtray Buckets are provided to dispose of all smoking materials safely and properly. We continuously notice cigarette butts, cigars etc. disposed in flower boxes, flower beds, on the lawn and in the water. By not disposing of these items properly, you are putting the club and fellow members at risk. **Ignorance can lead to fire!** If this continues, there will be no other choice than to ban smoking from all premises. Your immediate attention to this matter is greatly appreciated. If you see something say something!

60th Anniversary Party

You are invited to dinner and an evening of dancing to celebrate the **60th Anniversary of the Green Harbor Yacht Club** on **Saturday, July 21 at 6pm.**

Due to seating constraints, tickets are limited to 125 member and are for **adult club members only.** Dinner is \$25 per person, to be purchased prior to the event. Beginning June 20th tickets will be available at the bar until the event is sold out.

Because this is a special event we ask that you dress in summer smart attire. Summery sundresses, Nantucket reds, fun prints are all welcome. Nice but not too nice attire for what is a more casual, but still very special event.

GHYC Throwbacks...Can you Guess Who? Year?

Members are responsible for providing said information and the club cannot make exceptions to rules because we are unable to contact members. Your attention to this request will enable us to keep you informed of club news and have accurate records. **Please, send to jadmar8@verizon.net or drop off in writing at the Club to my attention.** Thank you!

Beautification Committee

by Brian Bartlett

Unfortunately, we had to cancel the spring clean-up day scheduled for Saturday, May 19th. It turned out that Mother Nature actually cooperated, however, the local weathermen held to their dire predictions for too long. Fortunately, a **call for volunteers on Saturday of Memorial Day weekend was answered by many members.** What we thought was going to be a few of us doing just enough to be ready for the Sunday cookout, morphed into a full-fledged clean-up day.

Sincere thanks to the following members: Stephen Bartlett, Rico Cabral, Jerry Carlson, Kevin Collins, Rich Connell, Jimmy Conroy, Paul DeFreitas, Phil Dick, Bob Habel, Paul Landry, Doreen Meehan, Dave Rubo, David Smith, and Beth & Don Triner. Forgive me if I've missed your name and know that, everyone's help is appreciated!

The flag pole was raised and rigged, porch furniture and picnic tables put out, mulch was spread, the dory and window boxes were planted, and various other miscellaneous tasks completed. The Club is ready for Summer should it ever decide to arrive and stick around for a while!

As always, if anyone is interested in participating in any ongoing grounds keeping activities please feel free to give me a call at 781-834-8996.

Important Notices

Before the boating season kicks into full gear, we'd like to remind our membership of some important notices.

Supervision of Children: Thank you to all our families for keeping our junior membership safe while they are in the club and on the docks. As a reminder, please abide by the GHYC policy and standard boating regulations of **children must wear life vests** at all times when on the docks.

Please **do not throw** the decorative seashells or rocks into the water, they help to protect our land from erosion.

Boat Carts: Carts should be returned to the staging area, located next to the kayak rack.

Boat Fuel: All transfer of engine fuels from portable containers to boats while docked at the club waterfront is **strictly prohibited**.

Kayaks: Please store kayaks upside down, to avoid rain water flooding their hull. Stand still water also attracts mosquitos!!!

Parking: The yellow line in the lot indicates tandem parking. Please make sure you park on either side of this line to maximize our parking.

Pets: Pet owners are responsible to clean up after pets on GHYC property. **This your club, your grounds, please do not hesitate to approach a dog owner if you witness their inconsiderate act of not picking up after their pet. As a reminder:** Pets are not permitted in the Club.

Smoking: Smoking is permitted outside. Please dispose of all smoking materials safely and properly, **in the ash buckets** provided for **your convenience**, not on the lawn or in water.

Trash: Please help to keep YOUR yacht club grounds clean. Be conscious of any trash you bring onto to the club grounds and make an effort to dispose of it. **This includes placing trash bags INTO the dumpster, not throwing it towards the dumpster and hoping you make the basket.**

Danny's Journey VIII
Friday, July 13, 2018
10:45 am
(rain date: Friday, July 27th)

Danny's Journey is fun-filled day for children and adults with special needs. Along with their families, these individuals have the opportunity to enjoy boating aboard local vessels and return to Green Harbor Yacht Club for a cookout.
In addition, this is a day to remember our friend, **Danny Vigneau**, his love for the ocean, his desire to help people with special needs and provide them with the amazing experience of boating.
