Commodore's Log by Stephen Bartlett

Once again February has been a bad month for New Englanders starting out with a Super bowl loss for the Pats. But it was still an exciting season and there's always next year. Thanks to the social committee for organizing a great Super bowl party.

March doesn't seem to be starting out any better than February. Many of our members were affected by these past storms. May your clean-up be minimal and may Mother Nature calm down so we can begin to enjoy our beautiful surroundings.

Trivia night had to be cancelled due to the weather, look for a rescheduled date in the social committee calendar.

This year marks the 60 anniversary of the club. I will be posting pictures from the past in the newsletter each month.

Do YOU Remember When?

If anyone has a picture they would like to share, scan it and email it to greenharboryc@comcast.net.

It is not the Board's or the Membership Committee's responsibility to chase down any missing items. In the future the application will be returned without consideration.
