Please keep us informed of any changes in your contact information. If you know of anyone not receiving the newsletter, have them send us their information. With the exception of annual billing, email is the only way we keep members informed of Club news and events.

Also, speaking of annual billing, as per the by-laws, dues must be paid by February 1st to maintain membership.

## Committee Corner By Crystal White

The renovations of the barn are complete and our leaky, old barn now looks great! Thank you to the Building Committee for overseeing this project. A couple of more touches will be added such as additional outside lighting to be done by our member volunteers, which is greatly appreciated. All of the below committees are always in need of volunteers. It's a great way to support the club and make new friends.
