Happy New Year! Congratulations to the GHYC Dart Team for winning the State Championship. What a great accomplishment for a team that is 7 years old! Thank you to Kerri Connell for hosting the Children's Christmas Party and Emily Dudley for hosting the Adult Christmas party. The Social Committee works hard to organize events for the members. Please consider volunteering. **A few reminders: Membership cards are for members only. If we find non-members using a member's card, the member may be suspended or terminated. The dumpster is for GHYC use only. Members found using the dumpster for personal use will be either suspended or terminated**

From the Social Committee by Kerri Connell

As we go through the winter months we know some members are spending the time in the warmer climates, but for those that are still here the social committee continues to be busy planning and putting on some fun events for the members of the club! This past weekend a Family Trivia/Singo Bingo night was hosted by Kerri Connell. Cubey, one of our favorite entertainers, did a great job with the songs, trivia questions, and keeping the members entertained in the meantime with the music! Thank you all who attended! Our next event is the Soup-Cookoff is on Sunday, March 2. Please see upcoming flyer for details as well and how to sign up for this fun event! The club will be having a wine tasting and details of a Puzzle Night will be coming soon as well! The Social Committee would like to put together a box of games to have at the club, for both kids and adults. A pink index card box located near the whiteboard has been placed where you can fill out slips of paper with game suggestions. The Social Committee is also looking for someone who would be interested in running the Cornhole Tournament this year. A thought is to pair it with one of the summer cookouts. If there is anyone who is interested in taking on this event please contact kerricompostoto@hotmail.com
